Therefore, the book and in fact this site are services themselves. Get informed about the \$this\_title. We are pleased to welcome you to the post-service period of the book.

### Chapter 23 Measuring A Nation

The focus on measuring racial discrimination in this report raises an initial question of “What is race?”Defining race is a task far more complex than can be accomplished in this chapter. In fact, there is little consensus on what race actually means (Alba, 1992; for discussions on the meaning of race, see Anderson and Fienberg, 2000; Applah, 1992; Fredrickson, 2002; Jones, 1997; Loury ...

Nation branding through vaccines. Broadly, nation branding refers to the purposeful cultivation of a country’s whole image on the international stage, covering political, economic, and cultural dimensions with goals to reform, repair, enhance, or remake an existing country’s image to make it more attractive and competitive (Anholt 2007; Fan 2006; Quelch and Jocz 2004).
